

True Democrats in Cross-Filed Races

Candidates of any party can cross-file to run in both the D and R primaries in judge seats and school boards. This makes it confusing for voters.

Other Races

District Attorney

Terry Houck DEMOCRAT
The incumbent and the preferred candidate.

Baratta filed as DEMOCRAT

Baratta is on the ballot as a democrat, but I think he is really a republican. I attended the recent debate and saw several of our local extreme republicans were there in support of him. If they support him, he's not right for the democratic ticket.

Controller

Tara Zrinski DEMOCRAT

Tara has supported and worked for Moore Township values related to quality rural life, including opposition to the pipeline and sludge farms, while promoting greenspace and farmland preservation. I trust her to handle the county's finances.

Nadeem Qayyum DEMOCRAT

Nadeem's background couldn't be verified. When questioned, his campaign could have cleared it up, but instead choose to claim discrimination. This position requires transparency and accountability. Nadeem lost me when his campaign wouldn't clear up the questions.
